BEQUESTS

In the last few years, several people have chosen to remember Elmwood Cemetery in their will. Their bequests are greatly appreciated. If you are planning a charitable bequest or trust designation, please consider including the Historic Elmwood Foundation. Language for a gift by bequest is simple and can be incorporated into a new will or added simply by a codicil (amendment) to your existing will.

The following are examples of bequest statements that may be used as models. The Historic Elmwood Foundation encourages you to discuss the language in preparing your bequest or trust designation with your professional advisor. We welcome the opportunity to work with you and your advisors to develop language tailored to your specific needs. Such collaboration ensures that the correct legal language is used and that your wishes are accurately understood. Please contact Joan Capuano, Executive Director of the Historic Elmwood Foundation, for assistance.
