Floral Tributes

Message from Sandy McMillan, President, Trustees of Elmwood Cemetery

Dear Families and Friends,

I am pleased to report that Elmwood Cemetery continues to thrive. This is supported by over 400 burials and the thousands who visited our grounds or participated in our special programs during 2010. Further, our endowment fund – that ensures the Cemetery is well cared for into the future – is healthy and recovering nicely from the down turn in the market in the fall 2008.

Please take a close look at our upcoming events. Our tours can be stylized to meet your special interest. I hope you will find time this year to come and enjoy beautiful Elmwood Cemetery. The spring offers particularly picturesque views with the green grass, the trees and shrubs in bloom, and the return of wildlife. The effort of our staff and grounds crew is evident throughout the property.

I encourage you to contact our staff if you are interested in any of our available lots. We have both prime individual as well as large family lots.

Thank you for placing your trust in us.

NEWSPAPER SPRING 2011

INDIVIDUAL AND FAMILY LOTS AVAILABLE!

Elmwood Cemetery has prime lots available for individuals and families. In addition, the Cemetery working with the Historic Elmwood Foundation has designated nine large family lots available for purchase. The lots are located throughout the property and range in size from 20’ x 20’ to 20’ x 30’. They are the perfect size for your family mausoleum or large memorial. These special lots are only available through the Foundation and include a donation to the Foundation. Please contact the office staff if you are interested in viewing any of our prime individual or family lots.

INDIVIDUAL AND FAMILY LOTS AVAILABLE!

BEGONIAS!

You may purchase a bed of begonias (24” x 14.5”) to be placed in front of your loved one’s lawn-level, slant marker or family monument. We will plant, water, and remove the begonias in late September. Weather permitting, the begonias will be in place before Memorial Day. The price is $60 and must be paid in advance. Order forms are available in the office or through the website.

FLORAL ARRANGEMENTS are available to commemorate that birthday, anniversary, Mother’s Day, date of death, or other special occasion. Two sizes are available, $50 or $100. The office staff will need at least four business days’ notice.

You can choose to purchase a floral arrangement or begonia bed each year or buy them now and have them in place every year for your loved one. More information about perpetual flowers and an order form can be found on our website or by contacting the office staff.

I am very pleased to welcome Karen Schrock, M.S. to the Board of Directors. Karen was born and raised in Detroit. She is the President and CEO of Adult Well-Being Services, named by Crain’s Detroit Business as the Best-Managed Nonprofit Runner Up in 2009. Karen is a tremendous addition to our Board and, as with all our directors, will work closely with Joan Capuano, our Executive Director, to develop our future plans and programs.

It has been exciting for me to be a part of the revitalization of Elmwood Cemetery over the course of the past 5 years! During this time, we have renovated the chapel and the pond, started our road restoration, re-established gardens on the grounds, developed community programs that benefit thousands. In 2010 alone, we supported the metro-Detroit community through celebrations on Memorial and Arbor Days, as well as Veterans Day with the Detroit Historic Sites Committee where we were joined by over 1,000 people including US Senator Levin and Robert Bobb. We had 24 regular tour dates, including the launch of our new African American History Tour and hosted more than a dozen special interest groups. The tours are one way we share the lives of those laid to rest here, and discuss our architecture and environment. We also hosted families at our annual Tree Lighting that honors the year’s deceased. In addition, Elmwood Cemetery continues to be utilized as an educational resource for elementary, high school and college programs. We celebrated the Foundation’s accomplishments at a reception last fall with many of our donors.

Your donations have made all these accomplishments possible. I thank you for your support and I hope you will consider donating again this year to the Historic Elmwood Foundation. The Foundation is a 501(c)3 nonprofit and all donations are tax deductible. No portion of any donation goes toward administrative expenses. Please use the enclosed envelope to mail your donation today! Information on making a bequest can be found on the website, elmwoodhistoriccemetery.org.

Again, we sincerely appreciate your financial support.

Mission: To preserve the history and educational significance of Elmwood Cemetery and those laid to rest in the cemetery; and to develop social, cultural, and educational programs to benefit the community.

DID YOU KNOW?

Memorial art is used to honor a loved one and create a lasting legacy. There are hundreds of variations in memorial design. Some memorials are adorned with leaves: ivy symbolizes grief; willow – sorrow; cypress – hope; laurel – victory; wheat sheaves – old age; ferns – eternity.
